

RESEARCH IN NURSING AND HEALTH

Index to Volume 1 (1978)

This index is divided into an Author Index and a Subject Index. Page numbers are continuous through each issue. Pagination by issue and month of publication is as follows:

Pages	Issue	Month
1-48	No. 1	April
49-88	No. 2	July
89-142	No. 3	October
143-190	No. 4	December

Author Index

Included in the Author Index are entries arranged in alphabetical order for authors of original articles. Also listed are authors of editorials, identified by the letter "E." and authors of book reviews, identified by the letters "BR."

Anderson, S. E. See Martinson, I. M., jt. author
 Anderson-Shanklin, G. C. See Burroughs, A. K., jt. author
 Asonye, U. O. See Burroughs, A. K., jt. author
 Barkauskas, V. H. See Chen, S-P. C., jt. author
 Beckstrand, J. The need for a practice theory as indicated by the knowledge used in the conduct of practice. 175
 Beckstrand, J. The notion of a practice theory and the relationship of scientific and ethical knowledge to practice. 131
 Brown, J. S., Buchanan, D., & Hsu, L-N. Sex differences in a sick role behavior during hospitalization after open heart surgery. 37
 Buchanan, D. See Brown, J. S., jt. author
 Burgess, A. W., & Holmstrom, L. L. Recovery from rape and prior life stress. 165
 Burroughs, A. K., Asonye, U. O., Anderson-Shanklin, G. C., & Vidyasagar, D. The effect of nonnutritive sucking on transcutaneous oxygen tension in noncrying, preterm neonates. 69
 Chang, B. L. Perceived situational control of daily activities: A new tool. 181
 Chapman, J. S. The relationship between auditory stimulation and gross motor activity of short-gestation infants. 29
 Chen, E. H. See Chen, S-P. C., jt. author
 Chen, S-P. C., Barkauskas, V. H., Ohlson, V. M., & Chen, E. H. Patient encounters by primary care nurse students. 18
 Donovan, M. J. See Fitzpatrick, J. J., jt. author
 Endress, M. P. See Johnson, J. E., jt. author
 Fitzpatrick, J. J., & Donovan, M. J. Temporal experience and motor behavior among the aging. 60
 Fuller, S. S. See Johnson, J. E., jt. author
 Given, B. A. See Given, C. W., jt. author
 Given, C. W., Given, B. A., Simoni, L. E. The association of knowledge and perception of medications with compliance and health status among hypertension patients: A prospective study. 76
 Grier, B., & Grier, M. Contributions of the passionate statistician. 103
 Grier, M. See Grier, B., jt. author
 Grier, M. R. Florence Nightingale: Saint or scientist? 91E
 Hart, L. K. Fatigue in the patient with multiple sclerosis. 147
 Holmstrom, L. L. See Burgess, A. W., jt. author
 Hsu, L-N. See Brown, J. S., jt. author
 Johnson, J. E., Fuller, S. S., Endress, M. P., & Rice, V. H. Altering patients' responses to surgery: An extension and replication. 111
 Johnson, J. E., Rice, V. H., Fuller, S. S., & Endress, M. P. Sensory information, instruction in a coping strategy, and recovery from surgery. 4
 Kopf, E. W. Florence Nightingale as statistician. 93
 Kviz, F. J. (reviewer). Basic statistics for nurses. R. G. Knapp. 137BR
 Levine, M. F. Kapilvoo and nursing, too! 51E

McCloskey, J. C. The 1985 proposal: Threat or challenge to nursing research? 145E
 Martinson, I. M., & Anderson, S. E. Effects of thermal applications on the abdominal temperature of rats. 123
 Mezzanotte, J. An "If" for researchers (poem). 36
 Moore, J. S. See Rezel, A. G., jt. author
 Newcomb, J. (reviewer). Basic steps in planning nursing research: From question to proposal. P. S. Brink & M. J. Wood. 85BR
 Ohlson, V. M. See Chen, S-P. C., jt. author
 Passo, S. Parents' perceptions, attitudes, and needs regarding sex education for the child with myelomeningocele. 53
 Rezel, A. G., & Moore, J. S. Correlates of success in the baccalaureate education of registered nurses. 159
 Rice, V. H. See Johnson, J. E., jt. author
 Simoni, L. E. See Given, C. W., jt. author
 Stevens, B. J. Theory, research, and the scholarly paper. 2E
 Vidyasagar, D. See Burroughs, A. K., jt. author
 Werley, H. H. Untitled editorial. 3E

Subject Index

The Subject Index includes entries for all original articles, editorials, and book reviews. Editorials are listed alphabetically by title under the heading "Editorials." Book reviews are listed alphabetically by title under the heading "Book Reviews."

ABDOMINAL TEMPERATURE

Effects of thermal applications on the abdominal temperature of rats. I. M. Martinson & S. E. Anderson. 123

AGING

Temporal experience and motor behavior among the aging. J. J. Fitzpatrick & M. J. Donovan. 60

AUDITORY STIMULATION

The relationship between auditory stimulation and gross motor activity of short-gestation infants. J. S. Chapman. 29

BACCALAUREATE EDUCATION

Correlates of success in the baccalaureate education of registered nurses. A. G. Rezel & J. S. Moore. 159

BOOK REVIEWS

Basic statistics for nurses. R. G. Knapp. Reviewed by F. J. Kviz. 137

Basic steps in planning nursing research: From question to proposal. P. S. Brink & M. J. Wood. Reviewed by J. Newcomb. 85

EDITORIALS

Florence Nightingale: Saint or scientist? M. R. Grier. 91

Kapilvoo and nursing, too! M. E. Levine. 51

The 1985 proposal: Threat or challenge to nursing research? J. C. McCloskey. 145

Theory, research, and the scholarly paper. B. J. Stevens. 2

Untitled. H. H. Werley. 3

ETHICS

The notion of a practice theory and the relationship of scientific and ethical knowledge to practice. J. Beckstrand. 131

GROSS MOTOR ACTIVITY

The relationship between auditory stimulation and gross motor activity of short gestation infants. J. S. Chapman. 29

HYPERTENSION

The association of knowledge and perception of medications with compliance and health status among hypertension patients: A prospective study. C. W. Given, B. A. Given, & L. E. Simoni. 76

INFORMING SURGERY PATIENTS

Sensory information, instruction in a coping

strategy, and recovery from surgery. J. E. Johnson, V. H. Rice, S. S. Fuller, & M. P. Endress. 4

KNOWLEDGE OF MEDICATIONS

The association of knowledge and perception of medications with compliance and health status among hypertension patients: A prospective study. C. W. Given, B. A. Given, & L. E. Simoni. 76

LIFE STRESS

Recovery from rape and prior life stress. A. W. Burgess & L. L. Holmstrom. 165

MOTOR BEHAVIOR

Temporal experience and motor behavior among the aging. J. J. Fitzpatrick & M. J. Donovan. 60

MULTIPLE SCLEROSIS

Fatigue in the patient with multiple sclerosis. L. K. Hart. 147

MYELOMENINGOCELE

Parents' perceptions, attitudes, and needs regarding sex education for the child with myelomeningocele. S. Passo. 53

NIGHTINGALE, FLORENCE

Contributions of the passionate statistician. B. Grier & M. Grier. 103

Florence Nightingale as statistician. E. W. Kopf. 93

NONNUTRITIVE SUCKING

The effect of nonnutritive sucking on transcutaneous oxygen tension in noncrying, preterm neonates. A. K. Burroughs, U. O. Asonye, G. C. Anderson-Shanklin, & D. Vidyasagar. 69

NURSE STUDENT-PATIENT ENCOUNTERS

Patient encounters by primary care nurse students. S-P. C. Chen, V. H. Barkauskas, V. M. Ohlson, & E. H. Chen. 18

OPEN HEART SURGERY

Sex differences in sick role behavior during hospitalization after open heart surgery. J. S. Brown, D. Buchanan, & L-N Hsu. 37

OXYGEN TENSION

The effect of nonnutritive sucking on transcutaneous oxygen tension in noncrying, preterm neonates. A. K. Burroughs, U. O. Asonye, G. C. Anderson-Shanklin, & D. Vidyasagar. 69

PARENTAL PERCEPTION

Parents' perceptions, attitudes, and needs regarding sex education for the child with myelomeningocele. S. Passo. 53

PATIENT FATIGUE

Fatigue in the patient with multiple sclerosis. L. K. Hart. 147

PATIENT RESPONSE TO SURGERY

Altering patients' responses to surgery: An extension and replication. J. E. Johnson, S. S. Fuller, M. P. Endress, & V. H. Rice. 111

PATIENT-STUDENT ENCOUNTERS

Patient encounters by primary care nurse students. S-P. C. Chen, V. H. Barkauskas, V. M. Ohlson, & E. H. Chen. 18

PRACTICE CONDUCT AND THEORY

The need for a practice theory as indicated by the knowledge used in the conduct of practice. J. Beckstrand. 175

The notion of a practice theory and the relationship of scientific and ethical knowledge to practice. J. Beckstrand. 131

PRETERM NEONATES

The effect of nonnutritive sucking on transcutaneous oxygen tension in noncrying, preterm neonates. A. K. Burroughs, U. O. Asonye, G. C. Anderson-Shanklin, & D. Vidyasagar. 69

PRIMARY HEALTH CARE

Patient encounters by primary care nurse students. S-P. C. Chen, V. H. Barkauskas, V. M. Ohlson, & E. H. Chen. 18

RAPE

Recovery from rape and prior life stress. A. W. Burgess & L. L. Holmstrom. 165
